### **About Xagenic**

Xagenic is a privately-held molecular diagnostics company developing the Xagenic X1™ platform, a revolutionary diagnostic system designed for use in a clinician's office. The Xagenic X1 platform will allow users to perform lab-quality molecular diagnostic tests in the physician office. With a time-to-result of 20 minutes, the system is poised to transform the way healthcare is delivered. The Company is backed by Domain Associates, CTI Life Sciences Fund, the Ontario Capital Growth Corporation, BDC Capital and Qiagen. Xagenic was the 2014 Frost & Sullivan Point-of-Care Diagnostics New Product Innovation Leadership Award winner and the recipient of the 2015 Life Science Company of the Year award from Life Sciences Ontario. The Company is headquartered in Toronto with a San Francisco office.
